Dear Mr. Gold:

Re: APPLICATION TO AMEND BY FIRST NATION INDIGENOUS TRUST

I am in receipt of a document identified as an Application to Amend presented to the Toronto Land Registry Office for pre-approval, which purports to be an Aboriginal Land Claim. Attached to the application to Amend is also an Application for Financial Assistance for the Land Titles Survey Fund.

The document does not represent an interest that is recognized under provincial land legislation. As well, the document as presented is not in registerable form as a document must be in electronic format to be registered in the Toronto Land Registry Office.

The Ontario Native Affairs Secretariat (ONAS) conducts land claim negotiations with First Nations and finalizes and implements land claim settlements on behalf of the Province of Ontario. You may wish to contact Alan Kary, Research Coordinator with the Negotiations Branch of ONAS with respect to Ontario's requirements for formal land claim submissions. Mr. Kary's address is:

I have reviewed the second document being an Application for Financial Assistance for the Land Titles Survey Fund. Applications for financial assistance for surveys from the Land Titles Assurance Fund must fall within the scope of Section 56 of the *Land Titles Act*. Your application as submitted does not meet any of these criteria. Accordingly we cannot grant the application.

Yours truly,

Kate Murray
